1945

So (two-thirds having voted in favor thereof) the rules were suspended and the concurrent resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

1945

DONALD YOUMANS' INTERNATIONAL CUSTODY BATTLE

(Mr. LAMPSON asked and was given permission to address the House for 1 minute.)

Mr. LAMPSON. Madam Speaker, I rise today to tell the story of Donald Youmans, a father whose son was abducted to Germany in 1993. Donald filed a missing persons report with police, and a United States court granted him temporary sole custody and ordered immediate return of his son.

A German court issued an ex parte order granting the mother sole custody of the son, stating that the child would suffer severe psychological damage to be taken away from his new environment of 3 months. In 1994, a German lower court denied return of the child, and 4 months later granted sole custody to the mother. In 1996, a court confirmed sole final custody and gave Donald restrictive access rights to be exercised only in Germany.

Despite the court order for these restrictive access rights, Donald's ex-wife continues to deny him access to his son. He has not seen his son since 1994. His son was abducted when he was two, and he is now eight.

Madam Speaker, these daily 1 minutes are about families and reuniting children with their parents. We must show respect and concern for the most sacred of bonds, the bond between a parent and a child. The House must do all that it can to bring our children home.

SPECIAL ORDERS

The SPEAKER pro tempore (Mrs. BIGGERT). Under the Speaker's announced policy of January 6, 1999, and under a previous order of the House,

the following Members will be recognized for 5 minutes each.

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Illinois (Mr. LIPINSKI) is recognized for 5 minutes.

(Mr. LIPINSKI addressed the House. His remarks will appear hereafter in the Extensions of Remarks.)

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Florida (Mr. WELDON) is recognized for 5 minutes.

(Mr. WELDON of Florida addressed the House. His remarks will appear hereafter in the Extensions of Remarks.)

CORPORATE INVESTMENT IN AUTHORITARIAN REGIMES

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Ohio (Mr. BROWN) is recognized for 5 minutes.

Mr. BROWN of Ohio. Madam Speaker, the fall of the Berlin Wall and the end of the Cold War opened up a 10-year flood of new trade investment and economic growth in the world. But underneath this trend lies an unsettling pattern.

When it comes to competing for U.S. trade and private investment dollars, democratic countries in the developing world, countries like India and Taiwan and Bangladesh and South Korea, are losing ground to more authoritarian countries, like Indonesia, and especially the People's Republic of China.

In the post-Cold War decade, the share of developing country exports to the U.S. for democratic nations fell from 53 percent in 1989 to 34 percent in 1998, a decrease of 18 percentage points. Nondemocratic nations increased their share commensurately.

In manufacturing goods, developing democracies' share of developing country exports fell 21 percentage points, from 56 percent to 35 percent.

Regarding U.S. foreign investment in manufacturing, developing democratic countries gained 1 percent over the last 10 years. Nations that do not support democracy gained 5 percent of U.S. foreign investment over the last 10 years. China was responsible for 5 percent of foreign investment gained for non-democratic countries.

Not only have the U.S. export market shares decreased for developing countries that have always been democracies, countries that have recently become democracies have also lost market share.

Understanding that basis for the vote that is coming in the next couple of weeks about giving permanent trade, Most Favored Nations status trading privileges to China should make the difference in this vote.

Western corporations want to invest in countries, like China, that have below-poverty wages, that have unenforced environmental laws or non-existent environmental standards, and
